Get **on track** to end cancer

What is Relay For Life

Relay For Life is a fun and moving community event that raises vital funds for Cancer Council's research, prevention and support services.

Relay is a chance for the local community to recognise and celebrate cancer survivors, those who are living with cancer and their carers, and to remember loved ones lost.

Each Relay is unique to the community that holds the event, featuring a range of activities, entertainment and a relay-style walk.

**With almost 1 in 2 Australians
diagnosed with cancer, most
people will have a reason
to take part in Relay for Life.
Who will you get on track for?**
