

Opening night - Araluen Arts Centre Friday 17 May 6pm

Exhibition - 18 May - 16 June

As part of the 50th anniversary of The Central Australian Craft Association (formed in 1973), Central Craft presents works from the Alice Craft Acquisition (ACA).

The ACA is a national collection of multimedia works by major artists of their time. Established in 1975, the collection boasts around 300 items of great importance to our community.

A satellite exhibition of further items from the collection will be presented in The June Marriott Gallery at Central Craft.
