

*Plastic bottle caps *Milk, OJ & soft drink lids

*Steel & aluminium bottle caps *beer, wine & soft drink including ring pulls and champagne wire *aka muselet

Recycling plastic bottle caps begins with sorting the single-plastic lids
*you'll soon see what we mean by single-plastic.

Remove the white discs – if you can't get them out, neither can we;
these lids are thrown out

Sorted lids are sorted, shredded and recycled.
