Christmas is a time to slow down, raise a glass, and share something special.

This year at Il Piatto, we're celebrating the Italian way: around the table, with generous plates, beautiful ingredients, and plenty of time to enjoy them.

Your celebration begins from the moment you arrive, with Champagne and a touch of caviar, before settling in for a menu designed to be shared. From premium Australian seafood and handmade pasta to our Filetto alla Rossini and butter-seared Pandoro, each course brings together Italian tradition with a little Christmas indulgence.

So settle in, pour another glass, and enjoy the occasion.

And yes, there'll still be a Christmas cracker waiting at your seat, because even the most elegant Christmas deserves a bad joke and a paper crown.

Buon Natale from all of us at Il Piatto.
